

*From the Owners of Millennium Family Entertainment Center:*

Just 2 short months ago we opened our doors and became the first Family Entertainment Center to open in Yuba City. It took us nearly 3 years to get to that point. Thousands of hours, lots of long days -and nights-, learning as we went, and overcoming obstacle after obstacle on our journey to bring a fun place for the kids, and families, of the area to enjoy.

On this Thanksgiving Day we have so much to be thankful for:

- Our Families; that have been, and are still, with us on this epic journey.
- Our Employees; who have become like extended family members.
- All of the support from local leaders and local businesses.
- And you; The Yuba Sutter Community. The kids, moms, dads, aunts, uncles, grandparents... Everyone.

It warms our hearts to see so many smiles on so many faces. Hearing the laughter; watching people -of all ages- beam with surprise and shock when they win the 500 ticket roll on the Ticket Time claw machine; that look of awe when people step into our Laser Tag Arena for the first time; hearing people say that they like the food that our café is serving; hearing kids tell their parents that they don't want to leave, or that it was the best birthday party ever...

So, Thank you Yuba Sutter! From the bottom of our hearts, Thank you for proving to us that this endeavor was worthwhile and not just a tilt at a windmill.

We are so thankful that we grew up here, that we live here, that we are raising our kids here, and that we could bring something like Millennium into reality here.

We hope you all have an amazingly Happy Thanksgiving!
